Hi! I'm
Ashlynn Wood

SOFTWARE DEV

ashlynnnwood@gmail.com | +1 321-446-3317

Hi! I am a highly motivated software developer with a Bachelor's degree from UCF and experience gained from completing the prestigious coding bootcamp program at UCF. With a passion for problem-solving and a strong understanding of Web Development languages, I am well-equipped to take on any development challenge. Committed to staying up-to-date with the latest technologies and industry trends, I am always looking for opportunities to improve my skills and deliver high-quality programming solutions.

WORK EXPERIENCES 01

2021-2022

CRM DEVELOPER
Legacy Life & Health Quotes

Spearheaded the design, development and implementation of a highly advanced client relationship management software for a final expense insurance company, utilizing several languages and apis to create a sophisticated system for effectively managing and communicating with leads, resulting in increased productivity and revenue.

2022-Now

DEVELOPER & SITE MANAGER
WWW.PTJOBS.COM

Conceptualized and executed the development of PTJOBS, an advanced online job board catering to the physical therapy industry, utilizing expertise in software development to create a platform that aggregates job listings from multiple sources and posts them across the internet, while also linking job seekers with relevant job opportunities, resulting in an efficient and user-friendly job search experience for the physical therapy community.
